

# Business Sponsorship Opportunities

Battle of the Badges March 9, 2024  
**To Benefit the Children at Cedarcrest**

## SPONSORSHIP LEVELS

Contributions are vital to helping Cedarcrest bridge the gap between the funding they receive from Medicaid and school districts and the actual cost of:

- providing the children with exceptional care, therapy, and educational programming
- purchasing specialized medical equipment, helping keep pace with healthcare-related technologies,
- helping create a home-like environment enhancing the children’s quality of life, and
- recruiting and retaining the highest qualified staff by offering competitive wages and benefits
